Florence Copper would not oppose a motion or motions for voluntary dismissal with prejudice, as long as it sees and consents to the language of the motion(s).

All,

My apologies for the delay. EPA does not oppose a motion (or motions) for voluntary dismissal. At this time I cannot agree to a stipulation.

Thanks,  
Sheila

Folks,

Florence Copper believes a stipulation and proposed order of dismissal of the -68 and -70 petitions with prejudice would be preferable to a motion.

Please send us a draft for our review.

Thank you.
